## 1. Overview

Startup Chhattisgarh is a government initiative to promote and support startups in the state. The platform provides registration, mentorship, funding support, and networking opportunities to help Startups grow and succeed.

### Startup Registration Process:

## 2. How to Get Started

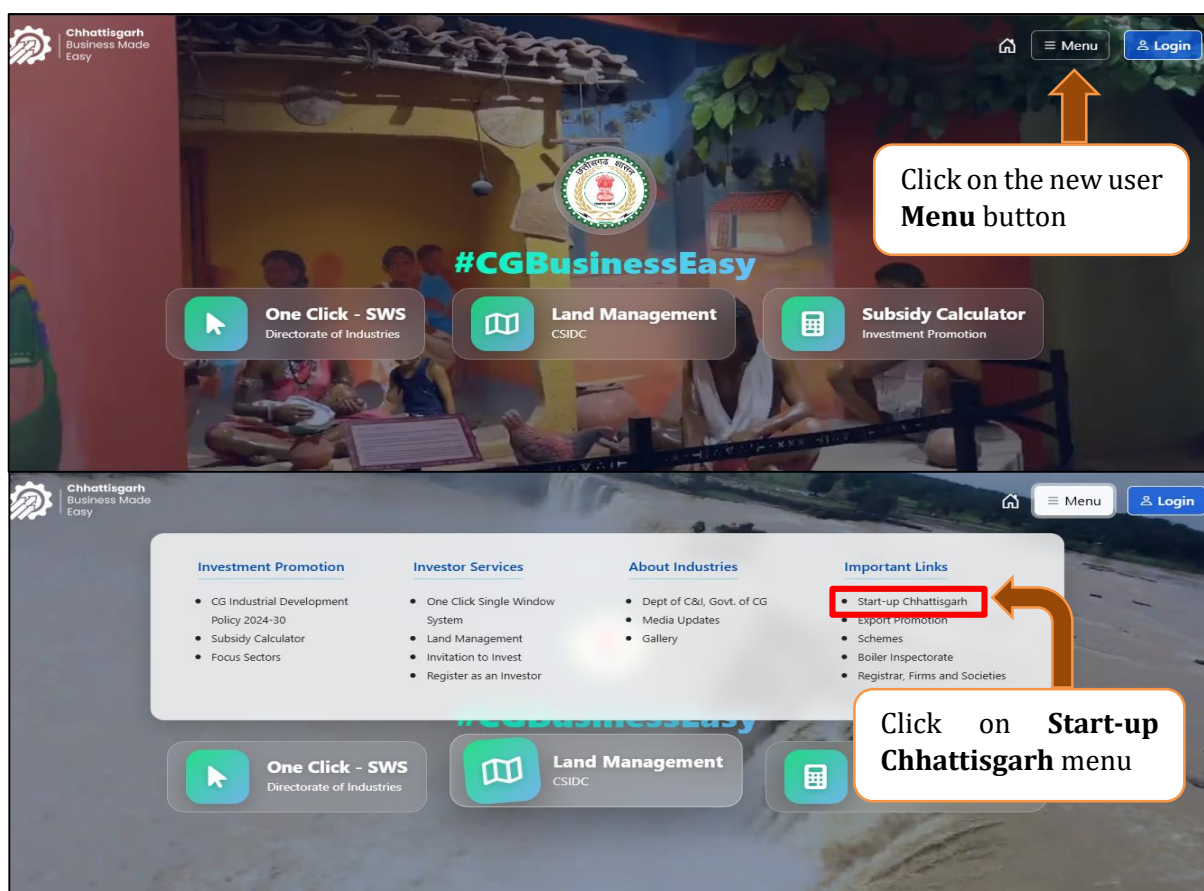

Enter the website URL (<https://invest.cg.gov.in>) in the browser and the page navigates to the landing page of the Startup Chhattisgarh.

*Figure 1: Homepage Screen*

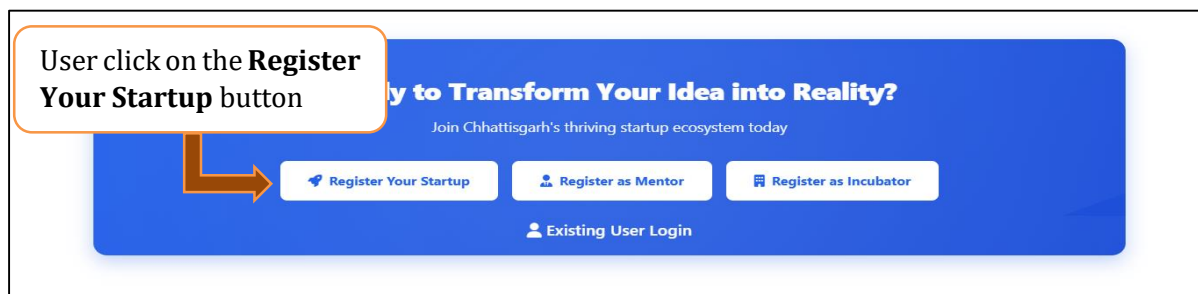

## 3. Startup Recognition

Users are required to register on the Startup Chhattisgarh portal by filling in all required fields in the Startup Registration Form. Upon successful registration, startup can log in to the portal.

*Figure 3.1: Homepage Screen*

Click on the **Register Your Startup** button as highlighted in the figure and the page navigates to the startup Registration page (refer Fig. 3.2).

**Figure 3.2: Startup Homepage Screen**

### 3.1. Startup Registration

When the user clicks on “**Register Your Startup**,” the system redirects them to the login page. If the user does not have an account, they must register and create new login credentials.

**Figure 3.3: Login Page**

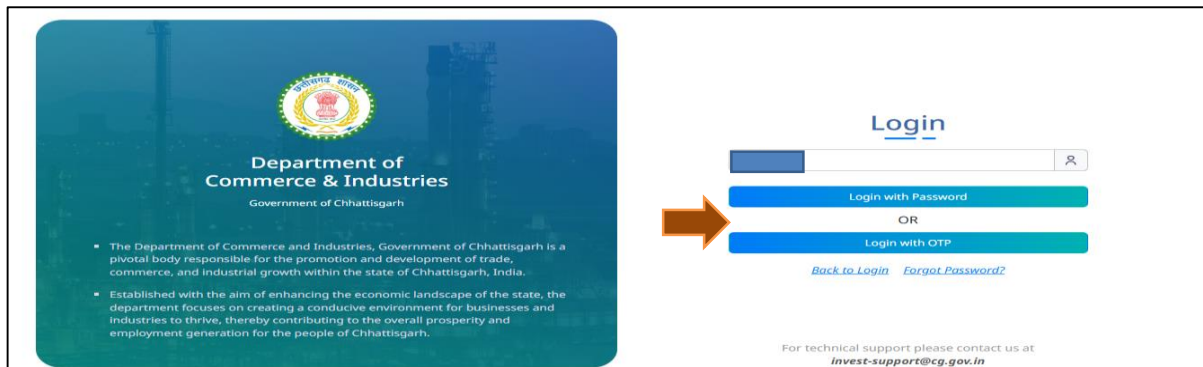

### 3.2. Startup Login

After successful registering, the user to login with the credentials into the application in the Login page (refer Fig. 3.4).

**Figure 3.4: Login Screen (A)**

The Login page (as shown in Fig. 3.5) offers two login methods: **Login with Password** or **Login with OTP**. Choose your preferred option, then enter either your password or the OTP number to proceed.

**Figure 3.5: Login Screen (B)**

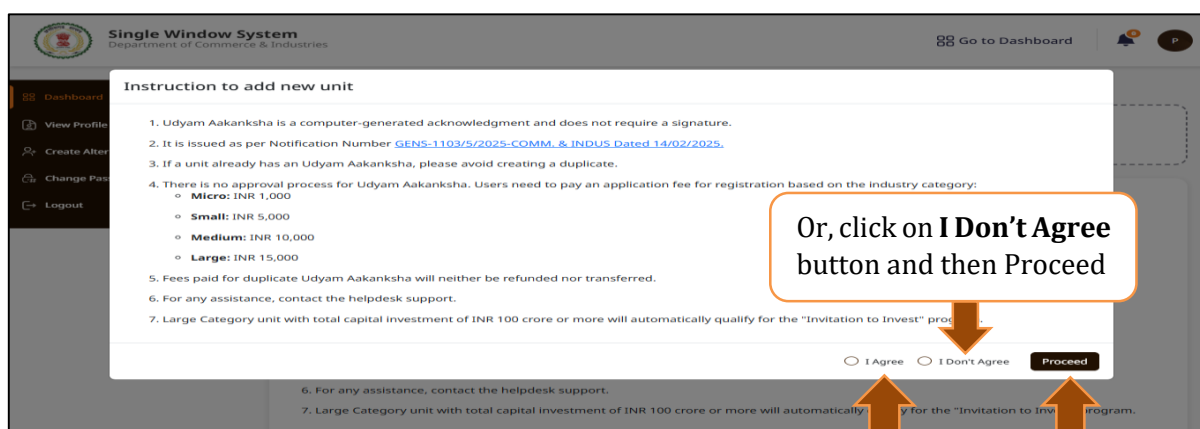

## 4. Udyam Aakanksha - Unit Registration

After a successful login, the page navigates to the Investor Dashboard (refer to Fig. 4.1), which includes step-by-step instructions for adding new unit details.

**Figure 4.1: Dashboard Screen**

On clicking the add a new unit, option to add a new unit with conditions applicable and the instruction to be followed populates on the display screen (refer to Fig. 4.2).

Read the instructions properly, if all the criteria mentioned are correct then click on **I Agree** button and **Proceed** for new unit registration

**Figure 4.2: Instruction to add new unit**

On agreeing, get navigated to add the company, project and land and utility requirement details. Then, click the Save & Continue button to save the entered information.

The screenshot shows a web form titled "Land and Utility Requirement" with a "Proposed location of Unit" table. Below the table are three buttons: "Submit", "Edit", and "Cancel". Annotations with arrows point to each button:

- An arrow points to the "Submit" button with the text: "Click on **Submit** button to submit the details".
- An arrow points to the "Edit" button with the text: "To update any changes, click on the **Edit** button".
- An arrow points to the "Cancel" button with the text: "To cancel the submission, click on the **Cancel** button".

**Figure 4.3: Unit Registration Application**

For the application submitted, the user needs to make payment for the fee charged as per the industry type as Micro, Small, Medium or Large. User has the option to pay fee now or pay later.

The screenshot shows the "Single Window Portal" interface. A modal window displays a green checkmark and the text "Successfully Submitted!". Below this, it says "Your application has been submitted successfully." and provides two options: "Pay Now" and "Pay Later". An annotation with an arrow points to the "Pay Now" button with the text: "Click on the **Make Payment** to make payment for chargeable fee".

The screenshot shows a confirmation message with a green checkmark icon. The text reads: "Payment Successful ! Thank You. Your Payment of ₹5000 /- has been Received." Below the message is a blue button that says "Please Share Your Feedback".

**Figure 4.4: Confirmation Message**

Get navigated back to the dashboard section.

The screenshot shows the 'Single Window System' dashboard for the Department of Commerce & Industries. The main content area displays 'Application Status' as 'Completed' with a green checkmark. A red box highlights the 'Acknowledgement' button with a download icon. Below this, there are buttons for 'Proceed', 'View Details', and 'Amendment'. At the bottom, there is an 'Add a New Unit' button with a plus icon. A sidebar on the left contains navigation options: 'Dashboard', 'View Profile', 'Create Alternate User Name', 'Change Password', and 'Logout'. A 'Go to Dashboard' link is in the top right corner.

User click on the **Acknowledgement** button to view and download the acknowledgement receipt generated

To proceed to other services available to the Udyam Aakanksha Unit, click on the **Proceed** button

To register other Udyam Aakanksha or a New Unit, click on **Add a New Unit** button

**Figure 4.5: Dashboard**

On successful payment, the application moves to the completed stage.

## 5. Startup Services

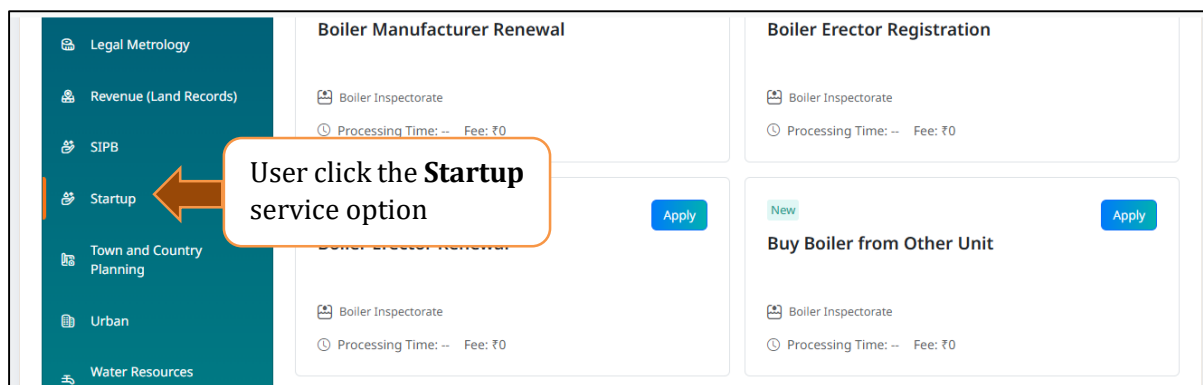

Startup services refer to services provided to newly established businesses or startups to support their growth and development. These services can include a range of support such as financial subsidies, exemptions, incubation facilities, and guidance on regulations.

### 5.1. Recognition for Startups

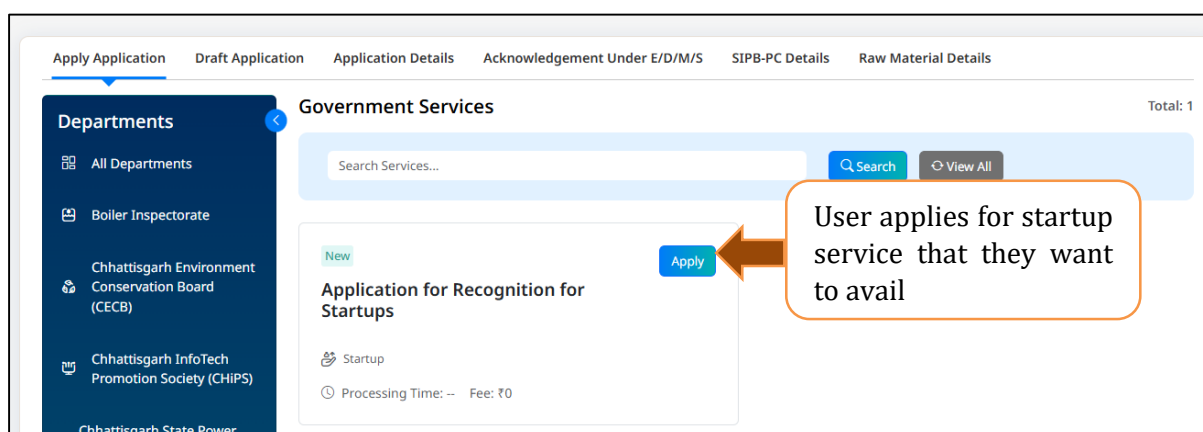

In the Services section, the startup service is displayed as shown in Figure 5.1. When the user applies for a startup service, the system opens the respective application form.

The screenshot shows the 'Services' section of the Single Window System. The 'Services' tab is highlighted in the top navigation bar. Below it, there is a search bar with the text 'Search Services...' and two buttons: 'Search' and 'View All'. A list of services is displayed, including 'Production Certificate', 'New Boiler Registration (Under Boiler Act)', 'Renewal of Boiler (Under Boiler Act)', and 'Application for Boilers Renewal (Self Certification)'. Each service card includes an 'Apply' button. A sidebar on the left lists various departments, including 'Boiler Inspectorate', 'Chhattisgarh Environment Conservation Board (CECB)', 'Chhattisgarh InfoTech Promotion Society (CHIPS)', 'Chhattisgarh State Power Distribution Company Limited (CSPDCL)', and 'Chief Electrical'. A 'Total: 179' indicator is visible in the top right corner of the service list.

User enters startup in the text box, then selects the "Search" or "View All" buttons

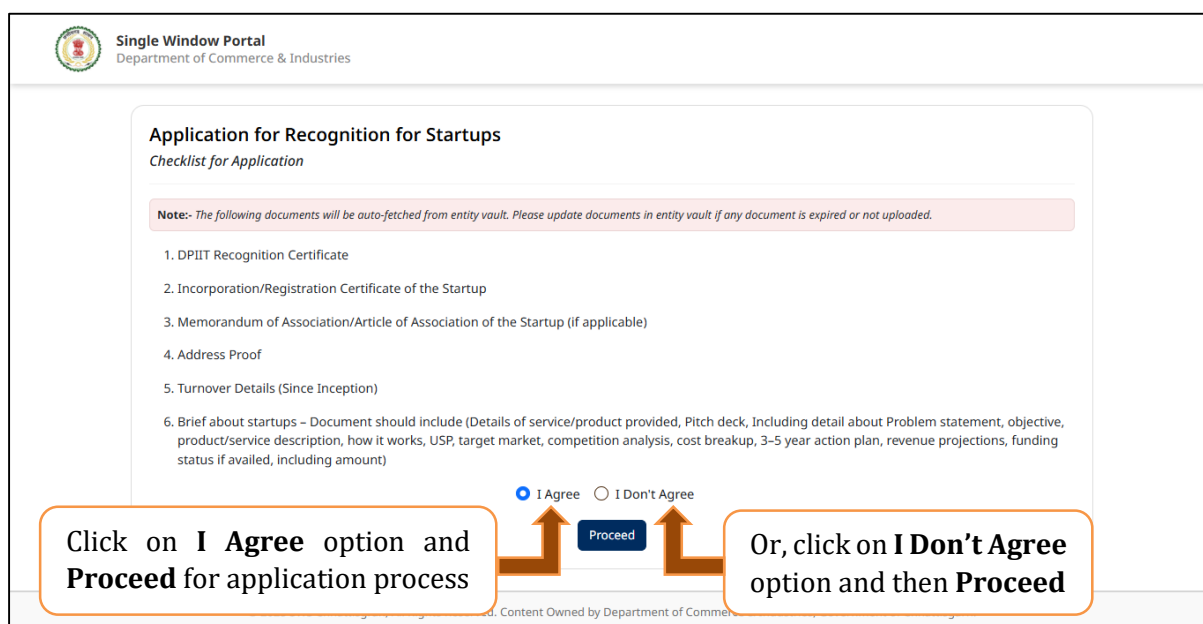

**Figure 5.1: Services Screen**

**Figure 5.2: Startups Services Screen**

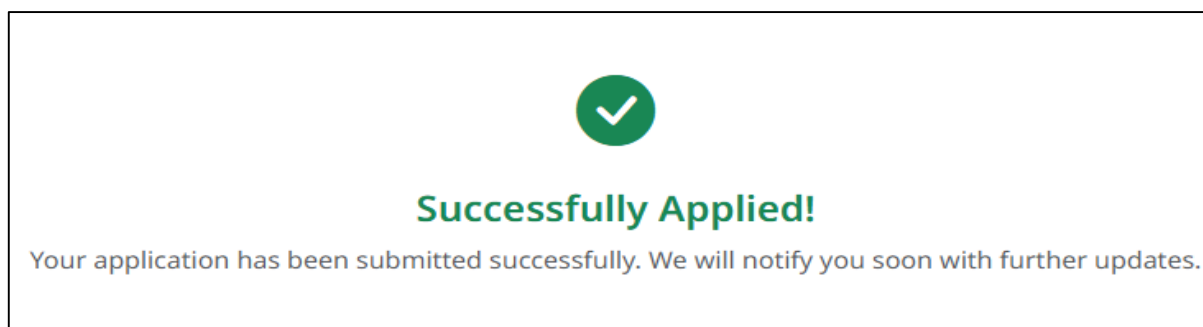

## 5.2. Application for Recognition for Startups

After clicking the 'Apply' option, the 'Application for Recognition' screen is displayed, as shown in Figure 5.3.

**Figure 5.3: Application for Recognition for Startups**

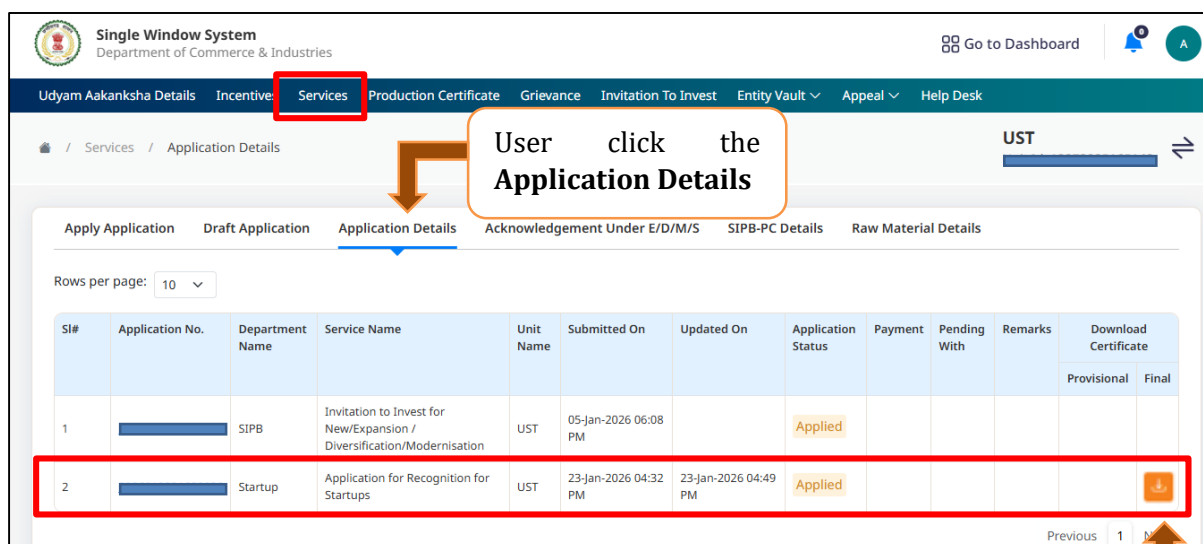

Upon agreeing, fill in the required details and click the “Save & Continue” button to proceed with the application.

**Figure 5.4: Successful Pop-up Screen**

### 5.2.1. Recognition for Startups – View Application

In the **Application Details** section, the user can view the list of services they have applied for and select the Start Recognition application to check the submitted application, track its status, and download the certificate after approval.

**Figure 5.5: Application Details Screen**

User click the download icon to view and download the certificate

### 5.2.2. Recognition for Startups – Draft Application

In the **Draft Application** section, the user can view the list of services saved as drafts and select the Start Recognition application to continue the partially filled form and submit the application.
