COLLATERAL SUPPORT FOR EXPORT CREDIT

Up to 85% Credit Guarantee Coverage

What is "Collateral Support for Export Credit" Initiative?

"**Collateral Support for Export Credit**" guidelines aim to provide a credit guarantee backstop so that MSME exporters with limited collateral can access formal pre and post shipment export credit from member lending institutions.

WHO CAN APPLY

- MSME manufacturer exporters and merchant exporters
- Valid IEC (Importer Exporter Code)
- Valid Udyam Registration
- Exports under notified eligible HSN tariff lines
- Applicants seeking export-linked working capital finance

WHAT SUPPORT DO YOU GET

- Credit Guarantee coverage up to 85% for Micro & small Enterprises
- Credit Guarantee coverage up to 65% for Medium Enterprises
- Maximum guarantee ceiling of Rs10 crore per exporter
- Coverage for pre-shipment and post-shipment export working capital credit
- Reduced collateral requirement and improved access to credit

HOW TO APPLY — TWO SIMPLE STAGES

1. Intent Filing

File online declaration of intent on the DGFT Portal before applying for export credit.

2. Apply to lending Institution

Approach an eligible Member Lending Institution (MLI) with the UIN. The lending institution assesses the proposal and seeks CGTMSE guarantee cover after loan sanction.

DOCUMENTS TO KEEP READY

- Valid IEC
- Valid Udyam Registration Certificate linked with IEC
- CA Certificate showing annual revenue and export turnover for previous three financial years
- Self-attested copy of Export Purchase Order
- Details of export products
- Preferred lending institution details
