Speaker: Saurabh Trivedi

Attended by: Abhijeet Sharma, Hema Sinha, Ruchira Pareek, Preeti Khandelwal

Startup Chhattisgarh conducted Investor Connect with Saurabh Trivedi

Startup Chhattisgarh successfully organized an Investor connect conducted with the objective of bridging the gap between emerging startups and potential investors. The event witnessed enthusiastic participation from both sides, fostering meaningful conversations, potential collaborations, and future investment opportunities.

The event started with Ms. Hema Sinha addressing the participants, the Investors and Startup Chhattisgarh team and Mr. Abhijeet Sharma introducing the investor Mr. Saurabh Trivedi. The event was attended by 30 startups.

Mr. Saurabh Trivedi Expert on IP with 15+ years of experience was invited as the guest speaker. He shared insightful learnings for startups which included information about IP and stages of a startup, how startups must think before asking for investments. He also asked startups to Understand their product, ask themselves about how the founders are going to make money out of their product, how replaceable their product is and also to think about creating a trade secret for your product. His focus was also to teach startups to understand the concept of valuation, equity dilution and debt funding and which one is the most suitable for them, before asking investors any kind of funding.

Mr. Saurabh Trivedi also focused on how fund raising is also affected by a startups type of entity (Pvt. Ltd., one person company, Partnership etc.).

An engaging open Q&A session was followed by his speech where various founders asked their questions related to their growth and funding. Investor also showed interest in connecting with the founders and guiding them about raising investment.

As a next step a few startups will share their pitches along with their questions to Startup Chhattisgarh and look forward to having guidance from Mr. Saurabh Trivedi. The session was engaging, informative and insightful to all the founders, where we received requests to hold such events more. With these references Startup Chhattisgarh Plan for next edition of investor connect with expanded scope.
